

Applied Materials to Host Analyst Meeting on Monday, July 13

June 22, 2015

SANTA CLARA, Calif., June 22, 2015 - Applied Materials, Inc. will hold its 2015 Analyst Meeting on Monday, July 13 in San Francisco, California. Presentations by Applied's management team will begin at 2:00 p.m. PT (5:00 p.m. ET) and conclude at approximately 4:30 p.m. PT. The presentations will include discussions of Applied's industry and business outlooks, strategies, opportunities, products and financial performance.

Presenters at the Applied Materials Analyst Meeting will include Gary Dickerson, President and CEO, and Bob Halliday, CFO.

The presentations and related materials will be available via a live video webcast on the company's investor relations website at <http://www.appliedmaterials.com/company/investor-relations>, and a replay will remain available for at least three months.

Applied Materials, Inc. (Nasdaq:AMAT) is the global leader in materials engineering solutions for the semiconductor, flat panel display and solar photovoltaic industries. Our technologies help make innovations like smartphones, flat screen TVs and solar panels more affordable and accessible to consumers and businesses around the world.
