

Applied Materials to Present at Upcoming Investor Conferences

November 9, 2015

SANTA CLARA, Calif., Nov. 9, 2015 - Applied Materials, Inc. announced today that Robert Halliday, Senior Vice President and CFO, will participate in a question-and-answer session at the UBS Global Technology Conference in San Francisco on Tuesday, Nov. 17 beginning at 7:45 a.m. PT.

Mr. Halliday will also participate in a question-and-answer session at the Credit Suisse Technology, Media & Telecom Conference in Scottsdale, Arizona on Tuesday, Dec. 1 beginning at 8:30 a.m. PT / 9:30 a.m. MT.

A live audio webcast of these sessions will be available on the Applied Materials website at <http://www.appliedmaterials.com/company/investor-relations>, and a replay will be available shortly after each event and remain available for three months.

Applied Materials, Inc. (Nasdaq:AMAT) is the global leader in materials engineering solutions for the semiconductor, flat panel display and solar photovoltaic industries. Our technologies help make innovations like smartphones, flat screen TVs and solar panels more affordable and accessible to consumers and businesses around the world.
